To,
The Principal
Sir Dr.MSGCOPER,
Nasik-422005

Subject: Regarding Action Taken Report Submission for Physical Pharmaceutics-I (S.Y.B.Pharm) and Biopharmaceutics and Pharmacokinetics (Final Yr.B.Pharm) subjects on student's feedback

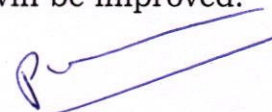

Respected Sir,

Following are actions I am going to take on my feedback for Physical Pharmaceutics-I (S.Y.B.Pharm) and Biopharmaceutics and Pharmacokinetics (Final Yr.B.Pharm)

1. Start off each class by making attendance an instructional session. Avoid the typical roll call of asking students whether they are there or not. Instead, each student should be asked a question about the previous day's lesson. This will make the students accountable for what is happening in class each day and maybe even force them to review their notes each night as homework. This will reinforce your teaching and make your students more attentive to what you are teaching.
2. I will use animations and you tube videos during my lectures so that student can get idea about principles involved in different apparatus like Ostwald visometer, Stalagmeter.
3. To gain subject knowledge and depth, I will go through research papers published in peer reviewed journals, reference books published by international press.
4. To gain command on English, I will try to teach them in very simple English and improve my language skills by practicing TOEFL and IELTS book. This will increase my clarity and audibility too.
5. I will Review student notebooks periodically. For instance, require students take notes for the class in a notebook that they must turn in at the end of the week or every other week.

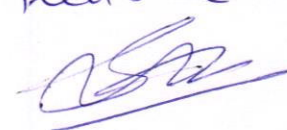

I will ensure that in next feedback my grade will be improved.

Thanking You,

Mr. Prashant S. Walke

Dept. of Pharmaceutics

To,
feedback file

To
The Principal
GES's Sir Dr. M. S. Gosavi college of Pharmaceutical Education and
Research Nashik-05

Subject: Action taken report for subject

Respected Sir,

As per above cited Subject and the feedback received from student regarding pharm.
Biochemistry and Environmental science subject I had taken following corrective action

1. Start off each class by making attendance an instructional session. Avoid the typical roll call of asking students whether they are there or not. Instead, each student should be asked a question about the previous day's lesson.
2. Make the students accountable for what is happening in class each day and maybe even force them to review their notes each night as homework.
3. I will use animations and you tube videos during my lectures so that student can get idea about principles involved in different mechanism of biomolecule.
4. To gain subject knowledge and depth, I will go through research papers published in peer reviewed journals, reference books published by international press.
5. I will talk personally to student during practical hours regarding their difficulties and try to solve their problem more precisely.

I will try my level best

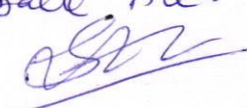

Thank you

Your faithfully

Hemant U. Chikhale
(Asst. Professor)
Department of Pharmaceutical chemistry

To,
feedback file.

Date: 10/12/2019

To

The Principal

Gokhale Education Society's

Sir Dr. M. S. Gosavi College of Pharmaceutical Education & Research,

Nashik-422005

Subject: Corrective actions to be taken to improve feedback and teaching to Second Year B. Pharm

Respected Sir,

I am thankful for the words of appreciation for the efforts taken by me in the Subject Pharmaceutical Engineering (BP304T, BP308P) at Second Year B. Pharm (Sem-III) for the **First** term of Academic Year 2019-20.

With reference to the feedback analysis, herewith I am submitting the corrective actions to be taken to improve teaching to Second Year B. Pharm.

Parameter	Feedback			Action to be taken
	Highest score	Second highest score	Total	
1. Preparation for each class	24	21	45	Revision of topic
2. Creation of interest in the course	26	22	48	Focus on each concept involved in topic
3. Demonstration of concepts and subject knowledge	24	24	48	Use innovative techniques like Videos and power point presentation
4. Communication of subject matter	25	23	48	Provide notes
5. Completeness of course syllabus in time	24	20	44	Extra classes will be taken for completing the syllabus in time
6. Learning value (in terms of knowledge, concepts, skills, analytical abilities and broadening perspectives)	25	21	46	Conducting class test and Assessment
7. Ability to design question in tests /assessments / examinations	24	22	46	Framing questions as per Blooms Taxonomy
8. Emphasis on current scenario in the class	29	20	49	Research oriented examples with the theoretical topics will discuss.
9. Helps student in providing study material through various sources	23	22	45	Study material from different books , research paper
10.Encouragement of students in class participation	25	21	46	Inform students for academics activities

Sir, I will try my level best and assure you to improve my performance in next semester / academic year.

Thanks

Yours sincerely

Ms. Sneha Dhamne

Assistant Professor Pharmaceutics

Date: 10/12/2019

To

The Principal

Gokhale Education Society's

Sir Dr. M. S. Gosavi College of Pharmaceutical Education & Research,
Nashik-422005

Subject: Corrective actions to be taken to improve feedback and teaching to **T. Y. B. Pharm.**

Respected Sir,

I am thankful for the words of appreciation for the efforts taken by me in the Subject Pharmaceutical Analysis-III (3.5.2.) at **Third** Year B. Pharm (Sem V) for the **First** term of Academic Year 2019-20.

With reference to the feedback analysis, herewith I am submitting the corrective actions to be taken to improve teaching to **Third** Year B. Pharm.

Parameter	Feedback			Action to be taken
	Highest score	Second highest score	Total	
1. Preparation for each class	30	29	59	Reference book, revision on topic
2. Creation of interest in the course	30	27	57	Use of ICT in creating interest in course
3. Demonstration of concepts and subject knowledge	29	25	54	Explanation of topic thoroughly, discussing example
4. Communication of subject matter	28	27	55	Providing notes, discussion on topic
5. Completeness of course syllabus in time	28	27	55	----
6. Learning value (in terms of knowledge, concepts, skills, analytical abilities and broadening perspectives)	32	24	56	Conducting class test, assignment
7. Ability to design question in tests /assessments / examinations	30	26	56	Framing question as per blooms taxonomy
8. Emphasis on current scenario in the class	28	25	53	Discussing marked oriented example
9. Helps student in providing study material through various sources	27	27	54	Google class, use of MOOCs
10. Encouragement of students in class participation	30	29	59	Group discussion, Seminar on topic

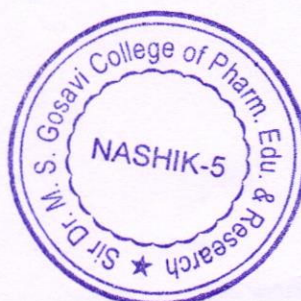

Sir, I will try my level best and assure you to improve my performance in next semester / academic year.

Thanks

Yours sincerely

10.12.19
(Hemant U. Chikhale)

Assistant Professor, Pharmaceutical Chemistry.

Gokhale Education Society's

Sir Dr. M. S. Gosavi College of Pharmaceutical Education & Research,

Nashik-422005

Subject: Corrective actions to be taken to improve feedback and teaching to Class

Respected Sir,

I am thankful for the words of appreciation for the efforts taken by me in the Subject Active Pharmaceuticals Technology (357T) at Third Year B. Pharm (Sem-V) for the First term of Academic Year 2019-20.

With reference to the feedback analysis, herewith I am submitting the corrective actions to be taken to improve teaching to Third Year B. Pharm.

Parameter	Feedback			Action to be taken
	Highest score	Second highest score	Total	
1. Preparation for each class	38	18	56	I will prepare more efficiently than previous.
2. Demonstration of concepts and subject knowledge	36	20	56	I will focus on concepts and preparation of notes.
3. Communication of subject matter	37	20	57	I will communicate topic wise notes to the students.
4. Completeness of course syllabus in time	39	18	57	I am completing syllabus in time and will try to do in next term also.
5. Learning value (in terms of knowledge, concepts, skills, analytical abilities and broadening perspectives)	35	20	55	I will focus on the knowledge, concepts, skills of students by assigning class test, MCQS.
6. Ability to design question in tests /assessments / examinations	32	20	52	I will design class test, MCQS and presentations.
7. Emphasis on current scenario in the class	38	18	56	I will emphasis on current trends on pharmaceuticals topics.
8. Helps student in providing study material through various sources	38	21	59	I am providing the notes to students and will do it for them in next term too.
9. Encouragement of students in class participation	38	17	55	I will take seminars and group discussion to encouragement.

Sir, I will try my level best and assure you to improve my performance in next semester / academic year.

Thanks

Yours sincerely

(Ms. Deepali D Bhandari)

Assistant Professor

Pharmaceutical Chemistry

To

The Principal

Gokhale Education Society's

Sir Dr. M. S. Gosavi College of Pharmaceutical Education & Research,

Nashik-422005

Subject: Corrective actions to be taken to improve feedback and teaching to **Second year**

Respected Sir,

I am thankful for the words of appreciation for the efforts taken by me in the Subject **Physical pharmaceutics-I (BP302T)** at **Second Year B. Pharm (Sem-III)** for the **First** term of Academic Year 2019-20.

With reference to the feedback analysis, herewith I am submitting the corrective actions to be taken to improve teaching to **Second Year B. Pharm.**

Parameter	Feedback			Action to be taken
	Highest score	Second highest score	Total	
1. Preparation for each class	30	27	57	I will take Revision of topics
2. Creation of interest in the course	28	28	56	I will create interest in the course
3. Demonstration of concepts and subject knowledge	29	28	57	I will Use innovative techniques like PPT or videos
4. Communication of subject matter	32	23	55	I will provide notes
5. Completeness of course syllabus in time	28	28	56	I will take extra classes for completing the syllabus in time if necessary
6. Learning value (in terms of knowledge, concepts, skills, analytical abilities and broadening perspectives)	30	24	54	I will conduct class test, assessment
7. Ability to design question in tests /assessments / examinations	30	25	55	I will frame questions as per blooms taxonomy
8. Emphasis on current scenario in the class	27	26	53	I will discuss research oriented examples with the theoretical topics
9. Helps student in providing study material through various sources	32	26	58	I will provide study material from different books
10. Encouragement of students in class participation	27	25	52	I will inform students for academics activities.

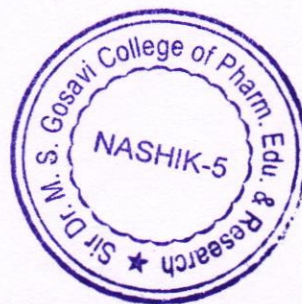

Sir, I will try my level best and assure you to improve my performance in next semester / academic year.

Thanks

Yours sincerely

Bagad P.D. Bagad
(Ms. Purnam Dilip Bagad)

Assistant Professor/ Pharmaceutics

To,

The Principal,

GES's Sir Dr. M.S.Gosavi College of Pharmaceutical Education and Research,
Nashik-05

Subject: Action taken report for mid-term evaluation 2018-2019 Term I.

Respected Sir,

Following measures will be adopted by me to improve on my feedback in the subject of medicinal chemistry-I and Active Pharmaceutical Ingredient Technology:

1. Double revise each lecture before starting with the day's lecture.
2. Instead of just using only chalk and board or presentations will use animation videos for explaining concepts crystal clear.
3. Will leave class on time.
4. Will try and involve each and every student irrespective of his/her present or absent in class discussion during the session.
5. Will provide extra guidance to average/ poor performers and absent students during practical hours.

Yours truly

Dr.S.S.Harak
Assistant Professor
Dept. of Pharm. Chemistry

04.10.2018

To

The Principal

GES's Sir Dr. M. S. Gosavi college of Pharmaceutical Education and Research
Nashik-05

Subject: Action taken report for subject

Respected Sir,

As per above cited Subject following measures will be followed to improve my feedback in
Medicinal Chemistry-III

1. I will focus more on revision during each lecture before starting.
2. Will use PPT, Videos and animation in my lectures for easy understanding of subject.
3. Make the students accountable for what is happening in class each day and maybe even force them to prepare their own notes.
4. Will help the student to solve previous question papers.
5. I will talk personally to student during practical hours regarding their difficulties and try to solve their problem more precisely.

Thank you.

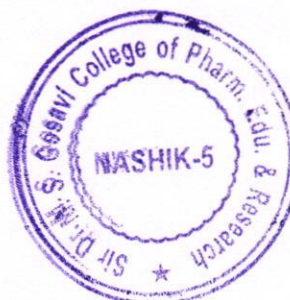

Your faithfully

Mrs. Dhanashri R. Mali

(Asst. Professor)

Department of Pharmaceutical chemistry

Class: F.Y.B.Pharm

Subject: Pharmaceutical Analysis-I

Corrective Actions

1. I will read reference book of standard for upgradation of concept
2. I will review the topic in practical hour also for student by discussing one to one with themselves.
3. I will give some homework for student and on practical hour I will check that and discuss with student
