Though we do not have registered alumni association, the institution alumni organisation has established and working successfully from 2018. We are able to create a strong connection and network between alumni and the Institute because of the excellent rapport established by our staff members with past students. Due to this strong connection students are ready to give back as a token of gratitude to the institute in the form of their expertise and skills that they have acquired in this vast pharmaceutical world.

Objectives of Alumni Meet:

- To provide a forum to establish a link between the alumni, faculty, staff and students of the institute.
- To promote a sustained sense of belongingness to the institute among the Alumni by being in regular contact with them.
- To help to establish interaction between past and present students of this institute.
- To contribute towards the welfare of the alumni.
- To bring awareness among students about the career opportunities available in Industries.
- To create awareness among students with the latest technology and trends in the market.
- To provide a convention for the Alumni for exchange of ideas on academic, cultural and social issues by organizing and coordinating reunion activities of the Alumni.
- Most of alumni always contributed their knowledge and helped to the Institute in different way.
