REPORT ON ONE DAY NATIONAL WEBINAR

“RECENT AVENUES IN DRUG DISCOVERY AND DEVELOPMENT”

Held on 08th October 2021

Department of Pharmaceutical Chemistry, Gokhale Education Society's Sir Dr. M.S. Gosavi College of Pharmaceutical Education and Research Nashik, Maharashtra had organized a one-day National webinar on “RECENT AVENUES IN DRUG DISCOVERY AND DEVELOPMENT” on October 08, 2021. There was total more than 700 registrations for the webinar from different states of India. The webinar started at 1.00 pm with the welcome address by Dr Shilpa Harak, I/c HOD, Pharmaceutical Chemistry. The dignitaries were Dr Kunjan Bodiwala, Professor, Quality Assurance, L.M. College of Pharmacy, Ahmedabad and Dr. S.V. Amrutkar, Principal Sir Dr. M.S. Gosavi College of Pharmaceutical Education and Research and the event was co-ordinated by Dr Shilpa Harak. She emphasised the need for holding the webinar taking into consideration the present trends and innovation methods in the field of chemistry that are especially beneficial to Faculty and postgraduate and undergraduate students.

Session I

The first session began with welcoming and introduction of Dr Kunjan Bodiwala Asst. Professor, Quality Assurance, L.M. College of Pharmacy, Ahmedabad by Mr S.R. Purkar Asst. Professor, Pharmaceutical Chemistry. Dr Kunjan Bodiwala presented his work on the “*Advancements in Bioautography*”. He shared his research work and talked about the methods of bioautography and various techniques involved. He emphasized on the recent development of bioautography with specificity and effectivity of the method that gives advantage over other chemical methods and also as a screening tool to test the antibacterial and antifungal activity of the drug.

Dr. Sandesh Lodha

Achievements

- Research grants from Pune University
- Uka Tarsadia University worth Rs 5 lacs
- Various Grants from AICTE, GSBTM, GUJCOST and GSPC (< 5 lacs)
- Junior Research Fellowship by AICTE
- Dr. V. K. SHARMA Award for **YOUNG SCIENTIST** by Indian Council of Chemist in 2015

Sr. Dr. M. S. Gosavi College of Pharmaceutical Education and Research, Nashik
Held on Friday, October, 8 2021

The second session began with welcoming and introduction of Dr Sandhesh Lodha by Ms Dhanashri Mali Assist. Professor, Pharmaceutical Chemistry. Dr. Lodha described the “**QbD approach for development of drug synthesis**” of different API taking into consideration the systematic approach to development that emphasizes product and process understanding and process control. Qbd takes into consideration the two costs of API: - the material cost as well as the conversion cost that includes the waste cost too. He explained in detail the various criteria (cri 8) used for Qbd approach and emphasized on ICH Q9 Quality Risk Management Process guidelines that have to be taken into consideration for the feasibility of the method.

Liquid Biopsy In Detecting Cancer:
OncoDiscover Technology from Lab to Clinic

Dr. Jayant J. Khandare
MD & CSO
Actorius Innovations and Research Pune and Simi Valley, USA
Professor, School of Consciousness,
MIT WPU, Pune

In the third session began with welcoming and introduction of Dr Jayant Khandare Prof, School of Pharmacy MIT WPU Pune co- founder & Chief Scientific officer (CSO), Actorius Innovations and research Pvt Ltd by Mrs Smita Shelke Asst. Professor, Pharmaceutical Chemistry department.

An entrepreneur and a teacher Dr Jayant Khandare discussed in depth about the various modern techniques used in cancer detection “*Translation of Liquid*”

biopsy technology in cancer". He compared the various techniques of solid and liquid biopsy methods and the acceptability of the liquid biopsy method over other methods. He spoke extensively on various trials conducted for the detection method involving the test done at various stages of metastasis and its use as a diagnostic tool. The technique finds its usefulness in terms of simplicity, lesser time consumption, reliability and its accuracy. The project is funded and supported by various government schemes and agencies including MSME, SBIRI, DSIR, Department of Biotechnology, Government of India and S&T incubators etc.

Finally, the session concluded by vote of thanks given by Dr Mrs Shilpa Harak. She extended her thanks to all the resource persons for their extensive and elaborate sessions enlightening the delegates with their knowledge and expertise. She thanked all the delegates - students and faculty members for their active participation in making the webinar a success. She also thanked the institute for providing the necessary resource and valuable guidance for the webinar and also the organising committee for their valuable support.

Good session

It was great opportunity for me to avail such a beneficial information which may be useful for the well-being of my professional career.

The webinars were really good and informative. Got to know quite new things.

Very informative and nice session

These events gave very useful information and knowledge which can be helpful for research project so I would say that you should organize such type of events in future
