Date :

World pharmacist day is celebrated globally on 25th September every year. This day is celebrated to create awareness about the role of pharmacist in improving health. This day was an initiative of International Pharmaceutical Federation (IPF) along with the council of this organization. "Pharmacist strengthening health system: Angdaan Mahadaan" is the theme for this year. Every year, the Pharmacy Council of India releases a new subject to enable organizations and people in the pharmaceutical sector to plan international businesses or local projects to highlight their exceptional efforts in aiding to make people's health around the world better.

VISION : To excel in pharmaceutical education and technology.

MISSION : To provide high quality pharmacy education and training to explore the students to be a responsible professional pharmacists.
